

Welcome to Robin Class!

This term we are going for a ...
Rumble in the Jungle!

This term Robin Class will become great explorers and venture deep into the jungle. As **geographers**, we will be locating different continents, countries and seas and comparing different locations around the world. Furthermore as **scientists**, we will learn about what plants need in order to grow healthily and consider how different habitats affect plants and animals. In addition, in **English** we will be inventing our own exotic plants and creating non-chronological reports in which to describe them, before featuring them in our very own stories. Finally as **artists** and **designers**, we will be creating sculptures of our imaginary plants and making instruments to reflect the sounds heard in the jungle.

In Maths

this term, as well as meeting our individual maths targets, we will also be improving our shape knowledge, measuring and data handling skills.

In RE this

term, we will be learning about Judaism and reflecting on what is special to both Jewish families and ourselves.

In PE this

term, we will be learning new football and athletics skills. We will also continue to work on our team building skills at Forest School

In computing, we will continue to learn about how to use technology safely as well as improving our skills searching on the internet and taking pictures with different types of cameras.

Our next **Coffee and Celebration Afternoon** will be Tuesday 16th May at 1.30.

This is the ideal opportunity to join us in celebrating the progress your child is making. We look forward to seeing you all there.

The Class team: Mrs Mathew, Miss Robertson, Mrs Saunders, Miss Gillespie and Mr Suleyman. Please phone the school office 01604 673730 to get in contact with us if needed.
