

# Welcome to 2018/19 in Deer Class

This term we are thinking all about food in our topic  
**Farm to Fork**

Last term during the transition day everyone voted for the new name for our class group and Deer won. Class information and letters will use the picture of a fawn as above. However, this picture will change as we grow together throughout the school year, as does the fawn to deer. Classroom is called the Meadow and during our vote we thought about the different animals that live in a meadow.

Our school curriculum topic for this term is farm to fork. We will start the term looking at growing food and farming around the world, we will then look at how the food is processed and transported to the shops before we buy it and cook it in our kitchens. We will spend some time looking at how important it is to eat healthy food and how we need to look after our planet so that we can continue to grow our food.

In our literacy lessons we will be using the *Gruffalo Crumble* cookery book for inspiration. We are hoping to all write a recipe for a school cookery book that will be ready just in time for Christmas presents for our friends and families.

In Maths this term, as well as meeting our individual maths targets we will be improving our number sense and understanding of number.

Russel will be joining us again for PE this term. Our class lessons are on Wednesday so please remember your PE kit. Our topic this term is football.

Our **Coffee Afternoon** will be in aid of Macmillan nurses. It will be held on Friday 28<sup>th</sup> September 2018 1:30pm.

We look forward to welcoming you all and hope our new parents and carers are able to join us at our first event for the year. Look out for letters in book bags with information about other events this term.

**The Class team:** Mrs Mathew, Mr Steele, Miss Dorrington and Miss Gillespie. Please phone the school office if you would like to speak with us or write a note in the home/school book.
