

Continuous Curriculum

At Kings Meadow School we meet both the social and emotional and academic needs of every child through a continuous curriculum approach to teaching and learning. Through this approach academic and social development are valued equally and continually interwoven within a whole school ethos of learning for all.

Believe and Achieve

Learning through Play

Serve and Return

- role play, small world, junk modelling, construction, craft areas
- daily circle time
- 1:1/ 1:2 interventions

Academic Learning

- 1:1 teaching to meet next steps in learning
